**Philippine Conspirator Sentenced.**

Manila, Sept. 29.—Judge Sweeney, in sentencing Diminador Gomez to twenty-eight months' imprisonment and a fine of \$200 for founding a seditious organization, recited the fact that out of some \$40,000 collected by the Union Obrero only \$14,000 had been accounted for by Gomez. In addition to this, he had sold stock in the concern, known as the Union Obrero, to solvent. The real object of the conspirators, he said, was the overthrow of the Government and the seizure of the islands in their hands in the northern provinces.

# KING OF YAP LEFT VALUABLE ESTATE.

American Widow's Lawyer Returns From Investigating Affairs of Caroline Island.

## OTHER WIDOWS ON ISLANDS.

David D. O'Keefe, Who Left Savannah Many Years Ago, Provided Handsomely for Wife and Daughter in United States.

San Francisco, Sept. 29.—William C. Hartbridge, who went to the Caroline Islands last May in the interest of Mrs. Catherine O'Keefe, widow of David D. O'Keefe, has arrived on the steamer Doric.

O'Keefe was known as the King of Yap. He left his wife and daughter in Savannah, Ga., in the early 70s and was wrecked on the island.

Being the first white man the natives had ever seen, they treated him with every possible reverence and finally made him king.

More than a year ago, after visiting Hong-Kong on business, he started to return on one of his vessels and that was the last ever heard of him.

Although he had two wives in the Caroline, he always kept his wife and daughter in Savannah well supplied with money.

Upon hearing of his death, Lawyer Hartbridge was sent out to see how matters stood. He found a will in Hong-Kong distributing an estate valued at \$1,000,000 in property, and of which is productive.

He left quite a large amount to his daughter, Mrs. J. P. Butler of Savannah, and it is expected that the Savannah widow will claim about 50 per cent of the estate.

**CANADA RIDICULES POINTS MADE IN BOUNDARY DISPUTE**

Vigorously Attacks Reliability of Maps Issued Years Ago, on Which American Claims Are Based.

London, Sept. 29.—When the Alaskan Boundary Commission resumed its sessions this morning, Christopher Robinson, K. C., who suffered from severe indisposition yesterday, but who had benefited by the night's rest, resumed his speech in behalf of the Canadian claims, though, at the suggestion of Chief Justice Alverstone, counsel remained seated.

Mr. Robinson dealt vigorously with the fallibility of the maps of the district under contention, claiming that the American deductions therefrom were, therefore, weak.

Mr. Robinson continued his speech after the luncheon adjournment. Ridiculing the United States' contention that they had secured the allegiance of the Alaska natives, he said:

"With a bottle of whisky and a blanket you can obtain the allegiance of any Indian."

Replying to Lord Alverstone's query of yesterday as to whether counsel could prove that the coast mentioned in article vii referred exclusively to the strip which Russia was to obtain by the treaty, Mr. Robinson maintained that article vii meant reciprocal privileges in the Ledge strip, previously referred to, implying Great Britain's jurisdiction over certain inland waters, and not south of latitude 64.40, as the United States contends. Counsel argued that Russia had not the right to grant privileges south of latitude 64.40.

Hannis Taylor, former United States Minister to Spain, of counsel for the United States, followed Mr. Robinson. Dealing with the international law phase of the dispute and detailing the Hudson Bay Company's relations with the British Empire, he maintained that the company's officials were empowered to represent Great Britain, from an international point of view, and that, therefore, transactions with the Hudson Bay Company must be regarded as having the weight of that relation. Mr. Taylor will continue his argument to-morrow.

**EXCESSIVE LAND HOLDINGS.**

Judge Instructs Grand Jury at Ada to Investigate.

REPUBLIC SPECIAL.

Ardmore, I. T., Sept. 29.—The matter of excessive land holdings will be vigorously prosecuted in the Southern District. Judge Townsend has instructed the Grand Jury at Ada to make a special feature of this violation, and the same instructions will be given to each Grand Jury throughout the district.

Indians are allowed to hold 320 acres of allotted lands, and those whose holdings are in excess of that amount are subject to a fine of \$300 a day. This statute has been a dead letter for want of complaint. The present activity of officials is due to investigations made by Mr. Brosius of the Indian Rights Association.

**Delegate Flynn in Washington.**

REPUBLIC SPECIAL.

Washington, Sept. 29.—Dennis Flynn, former Delegate from Oklahoma, is in the city. He was called to Washington on account of the prolonged illness of Mrs. Flynn, who is improving rapidly and will be able to accompany her husband home in a few days.

Incidentally, Mr. Flynn was a caller on Supervising Architect Taylor to-day and inquired as to the status of the new Guthrie public building. Preliminary details connected with the project have been concluded, and he was assured that the work on about two weeks and that everything would be in readiness for the contract to be awarded in the middle of the winter. An appropriation of \$100,000 was made by the last Congress for this building.

A Display of the Exquisite Masterpieces of the best Foreign Costumers in Costumes, Wraps, Waists and Children's Coats, such as has never been attempted in St. Louis and has never been equaled on this side of the Atlantic.

These beautiful creations were selected personally by the head of Barr's Cloak and Suit Department and are undoubtedly triumphs of industrial art applied to costuming.

In addition there will also be displayed the wraps that were awarded FIRST PRIZE and GOLD MEDAL for the "Best and Most Magnificent American Creations" shown at the Fashion Show, Madison Square Garden, New York, August 31st to September 14th, 1903.

**NO WRITTEN WORDS** can give any adequate idea of the beauty of this display. It is simply indescribable. Combinations of shimmering silk, laces fine as cobweb, rich Renaissance, the heavier but elegant filet, and the exquisite daintiness of needlework that seems too delicate to be the work of mortal fingers, yet has been wrought by artists in textiles—these are characteristics that mark these productions as gems of purest ray.

All are cordially invited to come and see them Wednesday and Thursday, September 30 and October 1.
